TOURNAMENT RULES

1. All bowlers must use their highest USBC sanctioned average from the last three years unless the current year is 10 pins or higher (*Min. of 21 games*).
2. Bowlers that do not have a sanctioned average within the last three years will bowl scratch.
3. Bowlers must report if the average used is from a "sport shot" or "tough shot" league. If this is the case the average will be converted as per the USBC conversion chart. The tournament will reserve the right to deny the use of this average.
4. Bowlers must report any re-rate average (*accepted or refused*), failure to do so will result in disqualification of scores.
5. The tournament will reserve the right to re-rate bowlers in accordance with USBC rule 319 prior to the start of bowling.
6. Professional bowlers are strictly prohibited from competing in this event. Any bowler who has or have held a PBA card within the last 3 years is prohibited from competing in this event.
7. Bowlers may participate as many times as they desire and may cash with multiple partners (*Once with the same partner*).
8. **There is a TEAM AVERAGE CAP OF 460.**
9. Any rule or situation not specifically addressed will be governed by the current version of the USBC rules for competition.
10. **In the event of a cancellation of the tournament due to unforeseen circumstances, the tournament reserves the right to pay a "pro-rated" prize fund based upon entries at the time.**
